Golden Noise

Ghazalium

EP · 4 OCTOBER 2024

ABOUT THE RECORD

The record where the production language settled: organic percussion, guitars treated like synthesisers, and a lot of deliberately empty space.

ABOUT GHAZALIUM

Ghazalium is an Egyptian recording artist, producer and songwriter. His work threads early-2000s and modern Egyptian pop melody through contemporary production — synthesisers, guitars, organic percussion and Latin-leaning rhythm — writing and producing each record end to end. [ADD ONE LINE OF CAREER CONTEXT: WHERE YOU ARE BASED, WHEN YOU STARTED RELEASING, WHAT YOU ARE WORKING ON NOW]
