## ABOUT THE RECORD

The warmest thing in the catalogue. Written at a piano, finished with synthesisers, and deliberately left a little unpolished at the edges.

## ABOUT GHAZALIUM

Ghazalium is an Egyptian recording artist, producer and songwriter. His work threads early-2000s and modern Egyptian pop melody through contemporary production — synthesisers, guitars, organic percussion and Latin-leaning rhythm — writing and producing each record end to end. [ADD ONE LINE OF CAREER CONTEXT: WHERE YOU ARE BASED, WHEN YOU STARTED RELEASING, WHAT YOU ARE WORKING ON NOW]
