ABOUT THE RECORD

A single built around one vocal line and almost nothing else — a detuned pad, a close guitar figure, and percussion that stays out of the way until the last chorus.

ABOUT GHAZALIUM

Ghazalium is an Egyptian recording artist, producer and songwriter. His work threads early-2000s and modern Egyptian pop melody through contemporary production — synthesisers, guitars, organic percussion and Latin-leaning rhythm — writing and producing each record end to end.
